

SENATOR SAVAGE: Motion to unbracket.

PRESIDENT: Don Dworak. Okay, Senator Dworak.

SENATOR DWORAK: Mr. President, colleagues I would like to move, I would like to amend Senator Savage's motion to unbracket...

PRESIDENT: State your motion.

SENATOR DWORAK: What I would like to do is bring this bill up Wednesday. We discussed this with several people and they indicated that Wednesday would be alright to bring this bill up. I would like not to unbracket it at this point. Move so that it would be unbracketed Wednesday.

PRESIDENT: We can do this by some sort of an agreement if Senator Savage wants to do it.

SENATOR SAVAGE: No, I want to move to unbracket it.

PRESIDENT: So, the question then before us is the unbracketing of this bill. Record your vote. Have you all voted? Would you indicate whether you are through voting. Have you all voted? Record.

CLERK: 27 ayes, 5 nays to unbracket.

PRESIDENT: The bill is unbracketed Senator Savage.

SENATOR SAVAGE: Mr. President, motion to bring back LB 273 to Select File for a specific amendment, which amendment was printed in today's Journal on page 1993. I move that it be brought back to Select File.

CLERK: That is Thursday's Journal, not today's Journal.

SENATOR SAVAGE: Thursday's Journal was it? Page 1993.

PRESIDENT: Alright, Senator Dworak.

SENATOR DWORAK: Mr. President, colleagues, the specific amendment in the Journal is another bill that was discussed in the Miscellaneous Subjects Committee and it involves horse racing, and we talked, we thought that we were talking with the people. We talked to Senator Lewis and several others and got assurances that we wouldn't discuss this bill until Wednesday and consequently we have amendments for this bill and to discuss the general philosophy of the bill and frankly we are a little short right now. I would urge that we do this Wednesday rather than right now, as these people had sort of indicated they would do.

PRESIDENT: That is not that point. The point is whether the bill is to be returned. We already had a vote on the unbracketing question.

SENATOR DWORAK: I would urge that we not return the bill and leave it here until Wednesday.
